

# GABE TORRES

Web Developer and Designer - Los Angeles

gtorresx3@gmail.com • 323-470-7019

Linkedin • Github • Website

## About

I create beautiful and intuitive applications that solve human centric problems with an analytical and creative point of view. I value collaboration and enjoy working with clients, creatives, and developers to bring projects to life.

## Skills

HTML5, CSS3, Javascript, Python, jQuery, React, React Native, PostgreSQL, MongoDB, Firebase, Node.js, Express.js, Django, REST API, TypeScript, SASS, BootStrap, Github, UX/UI, Adobe Suite, Figma, Agile/Scrum

## Web Development Projects

**Films with Friends** – <https://gabtorres.com/filmswithfriends>

An app for rating and talking about movies that lets users post twitter-style hot takes on movies. Built with React, Firebase, Recoil, SASS, HTML, JavaScript

**Wayfarer** – <https://gabtorres.com/wayfarer>

A travel community app for users to share posts about their favorite locations around the world. Built with Django, PostgreSQL, HTML, CSS, JavaScript, Bootstrap

**BookMeIn** – <https://gabtorres.com/bookmein>

An online booking application that allows users to book appointments with local barbershops. Built with Node.js, Express, Mongoose, MongoDB, EJS, HTML, CSS, JavaScript, Bootstrap

## Relevant Experience

**Software Engineering Fellow**, General Assembly, August 2020 - November 2020

Three-month, 500-hour full-time and full-stack program conducted in a remote setting, providing experience with the latest front and back-end programming languages, tools, and methodologies.

**Graphic Designer**, Display Factory USA, February 2018 - August 2020

Designed over 350 client projects from concept to completion.

Collaborated with marketing teams to create graphic artwork for social media platforms.

**Graphic Designer**, ExpressMedia, May 2016 - February 2018

Produced over 500 art files, managed 5-10 design projects daily.

Communicated with clients to find the product and design that met their specific needs.

**Web Designer**, Fitness Universe Inc, June 2015 - May 2016

Developed and designed promotional websites using HTML & CSS and WordPress.

Designed marketing materials for email campaigns, mailers and promotional websites.

## Education
